

## All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them.

They litter the whole system. Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

### Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.

"I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared." Mrs. Ida O. Brown, Rumford Falls, Me.

Hood's Sarsaparilla promises to cure and keeps the promise.

## A Nursery In A Theatre

New York, April 14.—Mrs. Gertrude Andrews, who is to manage "The Fulton Street theatre," formerly the Criterion, in Brooklyn, is to have a nursery in the place of amusement. It is announced today.

"We shall have a well-equipped nursery," she said, "with cribs and

maid, so that mothers can bring their babies to the matinee and be free to enjoy it. Why, we have 'matinee babies' who come once a week regularly."

A novel view of the theatre of the twentieth century, suggested by Mrs. Andrews, is that it should be made in some sense a club.

Barny Gilmore, in "Kidnaped in New York," will be at the Grand, April 26. This is a play built around the circumstances of a famous kidnapping case in New York city a few years ago.

### A RICH, NUTTY FLAVOR.

### The New, Daily Food Enjoyed by Everyone.

Malt-Nut, the new food, seems to please the palate of every one. The rich, nutty flavor makes it delicious. This, coupled with the fact that the food contains four times the nutrition of beef, has served to make it popular.

A number of foods have been placed on the market of late years, but Malt-Nut, containing as it does, the albumen, gluten and phosphates of the whole wheat berry and fat building properties of nut oils, appeals to both the palate and judgment of those who have tried it.

The household that has not tried Malt-Nut knows not the dainty meal it has missed.

It may be served direct from the package with milk or cream; or a hot food can be had by stirring one cup Malt-Nut in two cups boiling salted water; let boil 3 to 5 minutes.

## NOTICE

### To Crazy Horse and Two-Step Joe.

### Red Men Need Them on Thursday Sleep.

### Foresters Will Initiate and Entertain.

### Columbia Council Gave Officer a Present—Lodges.

I. O. R. M.

Saranac Tribe met in regular council last Thursday sleep, when two adopted members were raised to the Warrior's degree, and three warriors were exalted to the Chief's degree. Also two applications were received. Next Thursday sleep there will be two pale-faces for adoption, and one for the Warrior's degree. Let us have a full attendance at our next council. Crazy Horse and Two-Step Joe please take notice.

K. & L. of H.

Agenda lodge will hold its regular meeting Tuesday evening. After routine business, there will be a social. We trust there will be a good attendance, as there is business of importance to come before the lodge. The ladies will meet in the afternoon to make a comfortable, which will be given away on our next meeting night. Sister Moon is very ill.

K. of P.

Aetolia lodge met in regular convention last Tuesday. The attendance was not very big, owing to the weather. The Third Rank team is ordered to be present on Tuesday, as we have two candidates for the Third. Let all brothers be present, as matters of importance will come before the lodge.

PATHFINDER.

The regular meeting of Akron lodge last Monday evening was well attended. Mr. Stephen Hohn demonstrated his ability to "ride the goat." The members of the Lady Team were all present, with one exception. They have their new robes finished and will wear them for the first time for team work, on the evening of April 21. On Monday evening, the 14th, Terpsichore will reign supreme. Old-fashioned quadrilles, schottisches and polkas interspersed with the Virginia reel and Mummy Musk, will be the order of the evening. Pathfinders and their invited friends only will be in attendance. A good time is anticipated.

L. O. T. M.

Regular meeting of Busy Bee Hive, Tuesday evening, April 15, in the K. O. T. M. hall, in the Abbey block, at 7:30 o'clock. Second term of dues for all members, due April 1, must be paid by the last. Assessment No. 62 for life benefit members was due April 1, and must be paid by the last. Life benefit members who have not paid assessment No. 61 are in arrears, and in case anything happens, can get no benefits of any kind.

Protection Hive met in regular review last Tuesday evening and in spite of the storm, held an interesting meeting. Next Tuesday the sewing circle will meet all day. In the evening the hive will give a petto party to which everybody is welcome.

FORESTERS.

Court Pride, of Akron, had a small attendance Tuesday evening. One application for membership was received. Next Tuesday evening there will be initiation of candidates and a free entertainment given by Brother Boyce, of Michigan. Something to interest every member of the order. All members are requested to be present.

D. of L.

Columbia Council had a very good meeting on the 10th. There were not so many present as should have been. One candidate was balloted for and accepted. The business of the Council was dispatched with promptness, and several things cited for attention. Sister Deputy S. C. was with us and received a nice present from the members as a token of friendship. It was presented by Sister Nettie Kibler on behalf of the Council. A drawing for a sofa pillow also took place. Sister Mary Cummins having the lucky number. Brother and Sister Reece and daughter, from No. 10, were again with us, and assisted in preliminaries of a drill team for floor work, at next meeting. A good attendance is desired so as to complete the formation of a team. All who desire to be in the team should be sure to attend the next meeting, April 24.

### It Worries a Woman

To find her beauty fading, and feel her strength slowly slipping away. Worry only makes matters worse. In such a crisis the wise woman acts. She looks around for help, and finds it in Dr. Pierce's Favorite Prescription. No other medicine has done so much for weak and feeble women as "Favorite Prescription." It cures female weakness and diseases of the delicate organs which undermine woman's strength and mar her beauty. It makes weak women strong, sick women well.

Mrs. W. J. Kilder, of Hill Dale Farm (Knobburg Center), Enosburg, Vt., writes: "Your kindly advice and medicines have brought me back to health. I was so weak and nervous, and I suffered dreadfully from bloating and urinary troubles. I was growing weaker each day and suffered much sharp pain at times. I felt that something must be done. I bought your advice and received a bottle of Dr. Pierce's Favorite Prescription, and also followed your instructions. I began to improve immediately. My health became excellent, and I could do all my own work (we live on a good sized farm). I walked and rode all I could, and enjoyed it. I had a short, easy confinement, and have a healthy baby boy."

Dr. Pierce's Pleasant Pellets cure foul breath, by curing its cause.

regular meeting Wednesday, April 16, and it is desired that the members attend, as business of special importance will be presented for action at this meeting.

U. R. K. of P.

Summit City company held an enthusiastic and interesting meeting Monday evening. There was a special election called for the purpose of electing a new captain to fill the vacancy, caused by the resignation of Col. H. V. Egbert, and such other vacancies as would occur by promotion. The result was as follows: Captain, A. W. Linn; first lieutenant, O. B. Miller; second lieutenant, H. Hosfield; R. G. F. Wilson; L. G. W. R. Johnson. The assembly was considered the most interesting one No. 66 has had for some time. The Knight Loyals departed to their homes with that confidential feeling that there is a bright future for the company. It is the wish of the officers that every Knight Loyal be present at the next meeting.

McPHERSON LODGE.

The last convention of McPherson lodge was given up to sociability and converse upon the good of the order. Although it was not so planned, it proved to be a visiting night, as a large number of Knights of other lodges were present and several from other states. One brother, from New York City, entertained the lodge at considerable length in describing the way the K. P. work is carried on in the Metropolis in social, fraternal and financial ways. A plan is forming to organize a state visiting committee. The plans for this are not fully formed, but in an approximate way, may be stated as follows: Each lodge will appoint a committee of one. These individuals in a county will form an organization and at certain dates this organization will visit all the lodges of the county and, where convenient, the lodges of other counties to such an extent as may be practicable. All the committees of the state will be organized into one body, so as to have a common plan of work and increase the interest. Much of good is expected from this new move. Bro. Geo. W.

Karl's Clover Root Tea purifies the Blood.

THOSE MEAN COLD FEET

Destroy an even temper. That's because they are annoying and obnoxious in their continuance. If you have felt their effect, the cause will interest you. Poor circulation of the blood makes cold feet. But that is not all. It chills the whole body and makes life cold and existence sluggish. Poor circulation is the result of weak and impoverished blood, and impoverished blood fails to provide warmth-producing fuel. Warmth is the product of fuel, and good fuel makes warmer blood, stronger blood and healthier blood. Blood is the product of whatever a man eats. The best food is that which makes the strongest blood. Since nothing can be stronger than the elements of which it is composed, blood can be no better than the food which makes it. Shredded Wheat contains every element of strength known in foods. That is because it is made of the whole wheat. Shredded Wheat is pleasant to the taste and easy of assimilation. Being strong itself, it builds strong blood, being composed of warmth-producing elements, it makes warm blood and warm hands and feet. It is the perfect food. In short, it warms the mental attitude toward the world and injects sunshine into life. "The Vital Question," a free booklet published by The Natural Food Company of Niagara Falls, N. Y., gives more light on the subject. Send for it.

Carmichael was appointed the committee from McPherson lodge, an excellent appointment, since Bro. Carmichael possesses excellent executive ability and an abundance of vigor. Next Thursday evening the Third Rank will be conferred and all Knights are requested to attend.

O. U. A. M.

Summit Council, No. 19 met in regular session Wednesday night, with about the usual attendance. This part of our routine should be braced up a little, as we need a larger attendance, especially of the members of the team, as last week was our Second Degree week, and there were four candidates for that work. Next Wednesday night is our Third Degree night and we want to see all members of the team present. We promised in this column last week that there would be "something done" at the last meeting, and our promise was made good in every sense of the term. We promise the same thing for next Wednesday night, and, if possible, the "doins" will be still more interesting. The members of the team (those who were present) and those who filled in, did excellent work, considering their crippled condition. A special committee of five has been appointed to pass on a very important matter, which will report at next meeting. Bro. Muter is chairman. The chairman of the last entertainment committee made a partial report, and promises to have a full report in next meeting night. A resolution to alter one of the by-laws will come up next meeting night for its first reading. Be wise, and come up and legislate as you think best. Brothers should not forget that paraphernalia, either.

### A VALUABLE MEDICINE

### For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the City Dispensary called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by all druggists. E. Steinbacher & Co., wholesale agents.

### DENTISTS

### Complain Of a Decided Lack of Business.

A number of Akron dentists are complaining that they suffer from a lack of business. This complaint comes from gentlemen who are known to have been very busy in past years, and they are unable to give any explanation for the condition, except that, perhaps, they are "caught up" with the trade. The number of dentists in this city has increased greatly in the last few years, and competition locally has latterly become very keen.

There has also been a leaning, of late years, to more expensive and therefore more enduring work on the teeth. Patrons, be they ever so poor, have not been content with anything less than the very best, and such repairs, once made, have been of a kind which lasts for many years.

### WHAT CAUSES HEADACHE.

Exhausted and irritable conditions of the Nervous System produce Headaches. The cure is to restore the action of the nerves to their normal condition and give the heart a tonic. Clinie Headache Wafers are just this cure; they act on the Nerves and are a tonic to the heart. Absolutely harmless. 10 cents all druggists.
